

ZOOM INTO THE TYPICAL PlanetPress® USER

WHERE TO LOOK FOR A SUCCESSFUL HUNT?

Our typical user is not so hard to find...

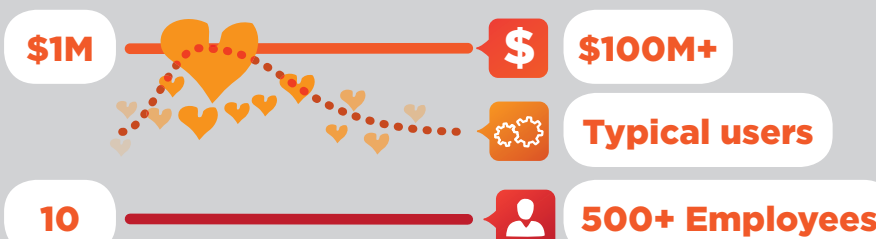

This is where you will be able to FOLLOW HIS FOOTSTEPS:

90% Employment in most developed countries

In the industry of Services and of Manufacturing

In almost any company...

...that generates revenues **>\$20M**

...but the sweet spot happens to be In a company with **100+ employees**

What matters to him: LESS PAIN, MORE CONTROL

He values the ease of use of the software

He likes how easy it is to design documents...

He works with his internal IT team to implement and maintain the software himself

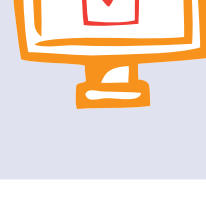

...and controlling business processes internally

And really enjoys having control over his data...

...to finally relax

What he uses the software for:

mainly: Corporate print Business process automation And commercial print output

Creating and optimizing workflows

Connecting ERP, financial and CRM systems

Outputting less than

<10 000 pieces a day

Printing Sending to folder Emailing

Inputting text and legacy data

Connecting to a database

Using PDF streams

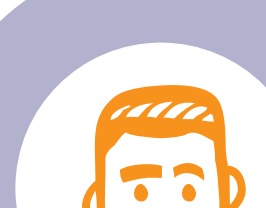

His main qualities: HE KNOWS WHAT HE WANTS AND IS LOYAL

He found the right fit...

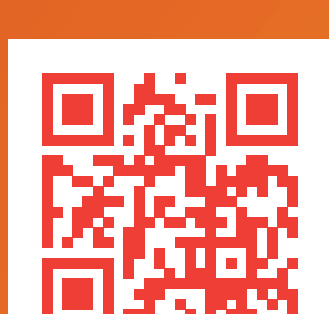

...has no intention to change

And uses PlanetPress with a smile on his face

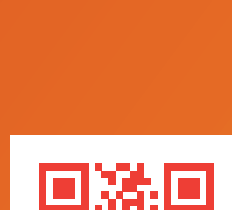

Has been using the software for

5+ years on average
